

About this Policy

What to read first

The best place to start is by reading our simplified privacy policy which can be found [here](#). It is a great way to get an understanding of how we collect, use and disclose your personal information. The extended privacy policy will give you a more comprehensive explanation of how your data is handled by Divitia. If there's anything that is not clear from this privacy policy, please feel free to email us at admin@divitia.com.au.

Our Principles

We have a simple approach to data protection and privacy which adheres to the [13 Australian Privacy Principles](#).

Our obligations under the Privacy Act 1988 (Privacy Act):

- This privacy policy sets out how we comply with our obligations under the Privacy Act. As an Australian based organisation, we are bound by the [Australian Privacy Principles](#) (APPs) in the Privacy Act which regulate how organisations may collect, use, disclose and store personal information, and how individuals may access and correct personal information held about them.
- In this privacy policy, 'personal information' has the same meaning as defined by [section 6 of the Privacy Act](#): information or an opinion (including information or an opinion forming part of a database), whether true or not, and whether recorded in a material form or not, about an individual whose identity is apparent, or can reasonably be ascertained, from the information or opinion.

Collection

We collect your personal information so that we can provide you with the products, services or information that we supply. Sometimes we collect personal information from a third party or from a publicly available source, but only if you have consented to your information being used in this way, or would reasonably expect us to collect it in this way. We only collect this information from companies or sources that are allowed to disclose it to us. Below you will find a breakdown of the different ways your personal information is collected.

What we collect from you

User contact forms

When you fill out a contact form wishing to get in touch with us, we will collect that information and use it to get in touch with you in response to your query. We may use the information to reach out to you to inform you of some of the services we provide, provided it is in line with your original query.

Contacting Support

If you contact us for any technical, product or other website related support, we may retain that information on record so as to process your request as well as for training purposes. Such information may include the transcript, emails or other information which was relayed by you and Divitia throughout the support request process.

Credit card payments including PayPal

If you make a credit card payment on our website please be aware that in some instances your credit card details may be made fully available to us so that we can process your payment. You can rest assured in that we destroy all credit card information the moment the payment has gone through.

If you pay on our website through a payment service such as PayPal, then we will only receive basic information and confirmation of payment. We will not have any access to your credit card details as these are handled by PayPal or another 3rd party payment provider inline with their terms of use.

What we collect and receive from others

We may also collect personal information from other companies that are able to disclose it to us as this information is received in line with their privacy policies.

- **Social Network widgets and buttons (Pinterest, Twitter etc)**

By clicking or using any social network widgets on our website, you understand that you do so according to the terms and privacy policy of those services. 'Liking' or 'Following', and content using these widgets, may become visible to your social network.

Use and Disclosure

We only use personal information for the purpose which was requested of us, or for the purposes which directly relate to one of our functions or activities. We will not provide your personal information to other entities or bodies, or any other party unless one of the following applies (as per and in line with APP 6 - use and disclosure of personal information):

- You have consented
- You would reasonably expect, or have been informed, that information of such kind would be passed on to those individuals, entities or bodies (for more information, see subclause 6.2)
- It is otherwise required or authorised by law, or reasonably necessary for the enforcement of a criminal law or of a law imposing a pecuniary penalty, or for the protection of public revenue
- It may prevent or lessen a serious and imminent threat to somebody's life or health.

Quality of Personal Information

We do what we can to keep your personal information up to date and accurate at all times as this allows us to deliver a better service to you. If any information we have for you needs to be corrected, you can contact us via admin@divitia.com.au.

Data Security

We take active steps to protect the personal information we hold against loss, unauthorised access, use, modification or disclosure, and against other misuse. These steps include password protection for all of our IT systems. While we cannot share with you details of our entire security system for safety reasons, if you have any questions, you can always contact us at admin@divitia.com.au.

When no longer required or requested by you, all personal information is destroyed in a secure manner.

Access and Correction

At Divitia, we do everything we can to keep your personal information accurate. If you find that any information we hold about you is incorrect, you can contact us at admin@divitia.com.au, or as per the contact details below and we will endeavour to assist you with your questions. Please bear in mind that under Australian privacy laws, there may be situations where we cannot provide access to such personal information. For instance, if it would reasonably affect someone else's privacy or may pose a threat to someone's life, health or safety.

For any personal information that is collected by third parties, even when you are visiting our website, it is best to view their privacy policy and seek assistance from those parties directly.

Complaints Handling

If you have any complaints or feel that there has been a breach of the Australian Privacy Principles, or a registered APP code, you can contact us at admin@divitia.com.au or via another option below.

If you are not satisfied with the process of making a complaint to our Privacy Officer you may make a complaint to the Information Commissioner on the details below:
